REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

East Elementary is a Title One elementary school serving approximately 600 pre-kindergarten through third grade students. Our mission statement summarizes our commitment to our students and community: The mission of East Elementary School is to develop responsible, life-long learners by providing a nurturing environment where the school and community work together to ensure success. Our devoted staff works together to meet the individual needs of our students, whether those needs be academic, social, emotional or physical. Teachers work diligently to plan instruction that will prepare students for the next grade and the Palmetto Assessment of State Standards. Our teachers participate in professional development activities to remain educated about current research based teaching strategies.

Technology is integrated into instruction daily as teachers and students use computers, iPads, and Promethean Boards in the classroom. Our computer lab and media center are well equipped and manned by a media specialist and a lab assistant that provide instruction and learning opportunities on numerous programs, internet safety, researching, and keyboarding skills. Teachers participate in a minimum of six hours of technology training throughout the school year.

Parent involvement is strongly encouraged and supported. During the 2013-2014 school year, parents were invited to Open House, academic conferences, PTO meetings, American Education Week activities, and PASS Parent Night, breakfast with their children, attend performances, and to assist with Field Day activities. Quarterly parent nights included sessions on the Title I Program, student attendance, using the parent portal, the school arts programs, and make and take workshops. Parents stay informed through school reports, class memos, newsletters, phone calls and emails. They are able to view their child’s academic information as well as attendance and discipline data through our district parent portal.

East students are recognized throughout the year for various accomplishments. Our guidance counselor recognizes students for their social accomplishments each month through the “Cats with Character” program. Our media specialist acknowledges students who show interest in reading and research. Quarterly awards programs showcase distinction in our students’ academic achievements, citizenship and attendance.

The community works with us in recognizing our students’ performance and contributions. The following civic clubs and businesses support our school: The Glove and Trowel Garden Club, Woodman of the World, Burger King, Kiwanis Club, Rotary Club, Zaxby’s, and the Dillon High School Teacher Cadets. Service learning projects encourage our students, faculty, and staff to give back to the community. This year, we worked together to support the Relay For Life, Helping Hands Food Bank, Ronald McDonald House, Pennies for Patients and the Juvenile Diabetes Research Foundation.

Bobbie Walters, Principal Lisa Coward, SIC Chair.
